## SENIOR CONSULTANT

### ABOUT LISA

Dr Lisa Patterson-Kane is a clinical psychologist with a strong clinical and research interest in rural and remote mental health. Based in the New England region of New South Wales; Lisa has combined her rural background and professional training in clinical psychology to specialise in rural and remote mental health.

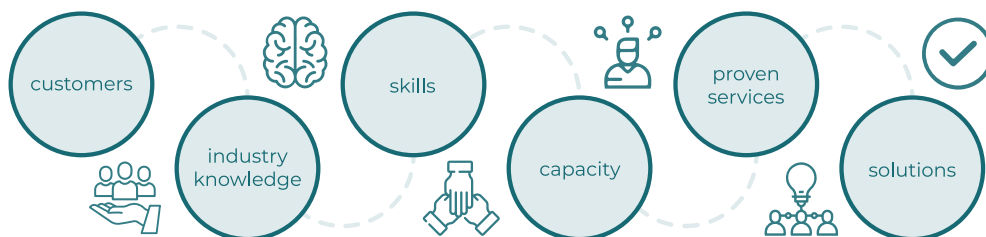

Lisa has over 10 years experience working with local government. She has conducted workshops covering topics such as personality profiling, mentoring, self development, leadership, workforce training and education, conflict resolution and mental health.

The experience and knowledge of the Mead Perry Group team, has allowed us to build our capacity to deliver solutions which are practical, transferable and deliverable. We work to continually improve and enhance the standing and performance of the Local Government Industry. We are client focused, we care and we value our relationships with our clients.
