

PAUL FENDLEY

SENIOR CONSULTANT

ABOUT PAUL

With over 30 years in the Queensland public sector, including 15 years in a range of Local Governments from large urban to small regional, Paul has a Masters of Business Administration (Majoring in Governance and Technology Management and Minors in Strategy and Entrepreneurship), a Bachelor of Applied Science, as well as a number of governance and technical certifications and is currently undertaking a Masters of Leadership.

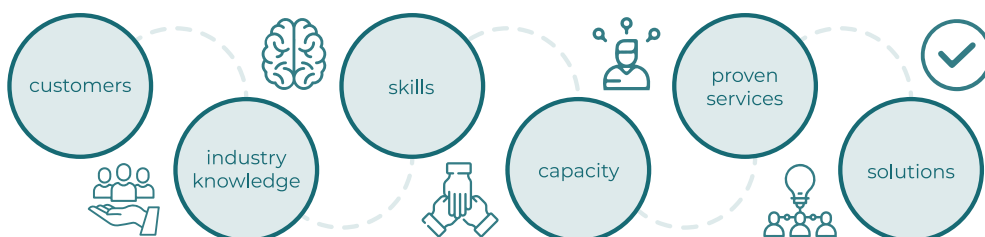

Paul spent the past 5 years at Whitsunday Regional Council in the roles of Chief Staff Officer and Executive Manager, Customer and Information where he was responsible for Governance, Corporate & Operational Planning and Reporting, Legal Services, Audit, Advocacy, Complaints & Investigations, Council meetings, Customer Service and Technology. Prior to that he held Manager Information Services roles at Toowoomba Regional Council, Moreton Bay Regional Council and SunWater and various analyst, policy and project roles with Queensland State Government Departments, including Premier's and Natural Resources, Mines and Water. He has been a Sessional Academic in Management and Technology at both the University of Southern Queensland and Queensland University of Technology.

The experience and knowledge of the Mead Perry Group team, has allowed us to build our capacity to deliver solutions which are practical, transferable and deliverable. We work to continually improve and enhance the standing and performance of the Local Government Industry. We are client focused, we care and we value our relationships with our clients.
